

Mathematical-Geographical Modelling

Workshop 2016-2

June 15-16, 2016:

“Workshop for Mathematical-Geographical Modelling”

ICEDS (Distance Learning Research Project Room, Faculty of Education), Kagawa University

Wednesday, June 15:

14:15-14:45: Introduction

Satoshi Murayama (Kagawa University)

14:45-16:15: Part 1 (Lecture)

Hao Dong (The Hong Kong University of Science and Technology)

“Family demography based on big individual-level historical population data”

16:15-16:30: Tea & Coffee

16:30-18:30: Part 2 (Instructions and Discussion for Mathematical-Geographical Modelling)

Satoshi Murayama, Takaaki Aoki, Hiroko Nakamura and Toru Terao (Kagawa University)

“Living spaces and mathematical-geographical modelling”

Hao Dong (The Hong Kong University of Science and Technology)

”Methodological and technical instruction for ‘China Multi-Generational Panel Datasets Series’ “ (<http://www.icpsr.umich.edu/icpsrweb/ICPSR/series/265#skipto>)

19:00- : Dinner

Thursday, June 16:

10:00-12:00: Part 3 (Free discussion)

Sponsored by: RIHN, Kyoto & Suntory Foundation
